## 'SPECIAL EDITION'

Welcome back after the half term break. I hope families enjoyed spending time in the outdoors, having fun and having plenty of time to relax. As we embark on the last half term of this academic year, things will begin to change for some families when the government allows us to let more children return to school. Some of your children may return and others may remain at home but, wherever your child will be, we will all be learning together. Keep reading to discover what learning will be like for your child.

### LEARNING FOR ALL

#### Communication and Language (C&L)

- Phonics
- Stories
- Listening games

#### MATHS

- Maths songs
- Number work
- Revision of prior learning

Wherever you are, home or school, keep working hard, listen to your grownups and enjoy lots of fun outdoors!

### LEARNING AT HOME EXTRAS

### LEARNING IN SCHOOL EXTRAS

Boredom Busters

Forest School Fun games

Physical/Gross Motor activities

Phone calls home

Forest School Fun

PSHE focusing on keeping safe, recognising feelings and changes

Circle time and games

Time to talk

Work to support transition to school will be shared with families during this half term too.
