Look at the activities above. The activities are divided into four columns. You need to choose one activity to complete each week. You must choose at least one activity in each column. After that the choice is yours.

- To help you organise your homework, it is a good idea to do a little every day. You can spend as long as you wish, but around one hour per week should be enough for most activities.
- If you have a brother or sister at Blackwell, you could work together on an activity.
- It is helpful if grown ups help you, but please do the work yourself.
- The work should be filed in your homework book. Examples of good homework will be displayed in the hall.

Reading for this half term: daily please for at least 10 minutes and make sure you talk about the book with someone.

EXPECTATIONS

- Please complete written work in pencil and file into your homework book. Some work may require a photograph.
 - Present work in a way that is clear and easy for people to read
- Homework sheets will be sent home at the start of a topic and one piece should be handed in each MONDAY
 - Activity sheets will be available from class teachers and need to be requested by the child
 - Feedback from the teacher will be provided in the workbook
