

# Purple Class Fundraiser

*As you know, we are raising money to get a pair of guinea pigs as pets in school. Here's an update!*

## 3D Artwork!

Our beautiful clay tiles are now ready to be purchased. The children have worked so hard at learning and developing new skills. If you want to purchase your child's one of a kind artwork, please do send in your donations. Suggested minimum donation £2.50 (but Mrs Mander says they look like they're worth a lot more!)...every little helps.

*Here's a sneak preview!*

## Sponsored Read!

In literacy, children have been working towards writing their own Hairy Maclary stories. They will make them into little books next week and then will have the chance to read their stories to lots of children from Red Class on Friday 26th January. If possible, please help your child to gather some sponsorship money to do this. They will have to work really hard to make their stories engaging and will have to be brave to read to the other children. A sponsor form is attached. Please send any money in during W/B 29th January.

## Cake Sale!

As outlined on the homework sheet, it would be great if for homework next week children could buy, bake or make some cakes or biscuits to sell to the rest of the school at break time on Friday 26th January. Please make sure any boxes are labelled so they can be returned.

*Thanks for your help. By fundraising we hope to help the children appreciate the value of money and also help them develop ownership over their new school pets. Once we have gathered funds, we'll begin the important purchases!*

# Purple Class Fundraiser

## Sponsored Read

Purple Class will be taking part in a sponsored read with their own story creations on Friday 26th January. Please collect some sponsors if you can.

Name	Amount	Paid?

Please send in any money during W/B 29th January. Thank you!
