Dear Parents and Carers,

A new data protection regulation (GDPR) comes into force in May 2018. We have been working to ensure that the school is compliant in a variety of respects by this date, including the collection, storage and use of personal data on children, staff and parents.

In order to comply, we have reissued our Privacy Notice on the school website under the policies section and ask that you read this and also complete the slip below. By signing the slip below, you consent to us continuing to hold the data that we currently do on both your child and yourself, such as contact details, payment for school log ins, childcare voucher numbers.

If you have any further queries, please let me know.

Yours sincerely,

Mrs Anna Moss
