Look at the activities above. The activities are divided into four columns. You need to choose one activity to complete each week. You must choose at least one activity in each column. After that the choice is yours.

- To help you organise your homework, it is a good idea to do a little every day. You can spend as long as you wish, but around one hour per week should be enough for most activities.
- If you have a brother or sister at Blackwell, you could work together on an activity.
- It is helpful if grown ups help you, but please do the work yourself.
- The work should be filed in your homework book. Examples of good homework will be displayed in the hall.

Reading for this half term: daily please for at least 10 minutes and make sure you talk about the book with someone.

EXPECTATIONS

- Please complete written work in pencil and file into your homework book. Some work may require a photograph.
 - Present work in a way that is clear and easy for people to read
- Homework sheets will be sent home at the start of a topic and one piece can be handed in each MONDAY
 - Maths activity sheets will be available from class teachers
 - Feedback from the teacher will be provided in the workbook

Diwali Sweets Recipe

Diwali Sweets

You will need:

- $\frac{1}{2}$ tin condensed milk
- 500g dried dates
- 125g ground almonds
- 25g desiccated coconut

Method:

- Chop the dates roughly and place them into a large non-stick pan.
- Add the condensed milk and ground almonds. Continue to cook on a low heat, stirring continuously to make sure the mixture does not stick to the bottom of the pan.
- Keep stirring until the mixture forms a soft lump in the middle of the pan (this may take a while).
- When cool, take a spoonful of the mixture and roll into a ball.
- Finally roll the ball in the desiccated coconut and put in a sweet case, place them into the fridge to set.
