

Scarecrow Festival

Purple Class designed mini scarecrows using their joining skills, Yellow Class had a go with pneumatics and Blue Class experimented with cams. Exciting learning!

There were some interesting new visitors at school today! Father Christmas and the dancing scarecrow were the winners of the 'Vote for your favourite Scarecrow' competition.

Green Class designed mini scarecrows adding decorations and focusing on good designs. Red Class used a wooden spoon design to create funny faces and Nursery gained two new children...and read a story about scarecrows to help them find out all about scarecrows.
