

## School Provision

**Staffing structure** that promotes support for all pupils and their families. There is an 'open door' approach for parents/carers to ask for help when they need it.

A **whole school vision** that values every child and nurtures them to enable them to achieve their potential.

Staff have had training in **attachment, emotion coaching** and the **impact of trauma** which helps them to support vulnerable children.

Our **school environment and engaging curriculum** provides the children with many enrichment opportunities such as Forest School, strong music provision and afternoon clubs for all children

Our on-site **Community Room** supports family well being and offers personalised support.

We have additional interventions for children who are eligible for **Pupil Premium funding**.

We offer **Intervention** that supports children who may need support with their emotional wellbeing. This includes relationship based play, social stories, lego therapy and 'time to talk'.

## Outreach Support

**EIFS – Early Intervention Family Support** – offer drop in sessions for parents and also run groups for pupils in school with a focus on emotional wellbeing. EIFS workers also offer 1-1 work with children and their families.

**TFS – Targeted Family Support** will work directly with families who request additional support for more complex needs.

**Educational Psychologist** will come into school to provide support and guidance for staff and parents and also work with children 1-1.

**CAMHS** can support children who are in need of support for mental health needs. **CAMHSCAST** workers provide outreach support to schools and parents/carers.

Our **Community Room** offers outreach support such as **Speech and Language**.

There are strong links with the **feeder middle schools** when children leave Blackwell at the end of Year 4.

There are positive links with the **local community police**.

The **school nurse and health visitors** offer advice and support to parents/carers.
