

A postcard from the pigs...

# Peggy and Bertie Blackwell

Hello children! Here we are again. Have you had a busy week? We have not been so busy this week. The weather has not been good for guinea pigs so sadly we've had a bit of an indoors week. We did make it into the garden once though and Miss Kuriger found a lovely patch of grass for us to mow.

I (Bertie) have been writing your reports this week. It takes quite a while to type when the computer keys are so far apart. It is good exercise though, which Miss Kuriger says I need. I don't know what she means!

Look at our fantastic vegetable bunting! What a treat! Miss Kuriger said it was about time we worked for our food. It was the best cage decoration ever! We ate the vegetables pretty quickly and then started on the string.

I hope you have had a lovely week at school and home.

Love from Peggy and Bertie xxx

A postcard from the pooch...

Hetty Blackwell

Hello boys and girls. I wonder how you have all got on this week. It's a good job that I have parent app so that I can keep up to date with messages from Mrs Moss. I gather that she has also had a recent shorter hair cut...maybe I set the trend.

Florence tells me all about the fun you are having at school and all about Zoom assemblies. These sound very energetic. Perhaps I am better off being a stay at home superhero for now after all.

However, I also hear that Mrs Barker is still providing many tasty snacks. School sounds good!

See you all soon. Lots of love from Hetty xxx
